SEASON 2010

The Gold Coast Blue Tongues invite you to sponsor one of the most exciting sporting leagues and teams in Australia!

Just weeks after Australia had fallen in love with Ice Hockey again at the Winter Olympics, the 2010 AIHL season will open, with the Bluetongues poised to take the next step in the team's success.

After creating history and making the final four for the first time in their short 5 year history, the Blue Tongues look towards the final weekend of August, and raising the 101 year old Goodall Cup for the first time.

ICE HOCKEY

Played in over 60 countries worldwide and the world's premier winter team sport, ice hockey is regarded as the "fast team sport on earth". With shooters who top 120km/h on a regular basis and speedsters who can lap a rink in under 15 seconds, it's not hard to see why over 50 million people world wide tuned in to be spellbound by the Olympics Gold Medal Game and why fans keep flocking back to the Blue Tongues.

THE GOLD COAST BLUE TONGUES

A member of the Australian Ice Hockey League, the Gold Coast Blue Tongues are a 22 man squad comprised from the best players Queensland has to offer as well as 6 international imports who bring an elite level of knowledge, skills and experience to the ice.

A not-for-profit organisation, the Blue Tongues are committed to growing the popularity of ice hockey in the Queensland community through involvement with local schools and charities.

AUSTRALIAN ICE HOCKEY LEAGUE

The Australian Ice Hockey League is Australia's premier level and only national hockey league. In its 10th season of competition, the league is dedicated to the growth and development of the sport and its players in Australia and on the international stage.

Starting on the 1st of May, the Blue Tongues will play a 24 game home and away season against teams from Sydney, Penrith, Newcastle, Canberra, Melbourne and Adelaide.
